Dublin 4, D04 K5F9

Please Note:

Main Expo Floor – Presidents Area (Downstairs)

Our main expo floor is located downstairs in the Presidents Area and hosts over 100 stands, forming the vibrant core of the exhibition. This is where you'll find our Premium Area with Tier 1 companies, including TII and Irish Rail. All delegates are encouraged to explore this key area and engage with a diverse range of exhibitors.

Atrium Showcase Area (Upstairs)

Upstairs in the Atrium, you'll find a dedicated showcase area with 22 select stands for further networking and discovery. This level features RIA, BITA, Rail Business Daily, Rail Forum, and more. Rail Link Talks will take place in the 'Henry West' area (just off the Atrium) from 08:30 to 11:00 (ticketed, limited to 100 people).

Please note: The main Expo opens at 11:00. No access to the venue is permitted before 11:00 without an exhibitor pass or a Rail Link Talks ticket. We encourage all attendees to visit both levels for a well-rounded event experience.
