

RESPONSIBLE VEHICLE LEASING

Your ONE stop shop for cost efficient mobility

ONE

Is it time to look for your next new car?

SOGO One allows you to lease a new car with fixed monthly payments. These payments cover almost everything needed to keep you mobile, including:

A Brand New Electric or Plug-In Hybrid Vehicle
Choose from hundreds of models including special offers.

24/7 Breakdown Cover Included
To help keep you mobile at all hours, UK wide.

Fully Comprehensive Insurance
For you & any of your additional drivers.

Home Charging Options available
We have partners offering preferential discount for home charging requirements you may have

Service & Maintenance Included
All service and maintenance costs throughout the life of the vehicle are included. Including tyre wear.

Peace of Mind
Early Termination options included as standard to cover events like resignation, redundancy or maternity leave.

A Salary Sacrifice scheme means you can save on Income Tax & National Insurance, reducing the net cost of your vehicle!

The greatest Salary Sacrifice savings can be made by selecting an Electric Vehicle due to the Benefit in Kind tax rates.
