

GO GREEN

WITHOUT THE GRRRR...

Pensord™

DYNAMIC DUO WRAP IT UP!

Pensord, leading magazine print company and strategic partner of the IPN, has partnered with **Central Mailing Services** to offer paper wrapping and enveloping services that will increase your environmental credentials, but with none of the perils often associated with service changes.

Specifically designed with publishers in mind this new partnership offers all of the following benefits:

FULLY RECYCLABLE: these solutions overcome single use plastic waste

★ **AFFORDABLE:** access to the best fulfilment rates and challenge us to match or better your current mailing costs

★ **PRINTABLE:** prime 'real estate' for new branding and advertising opportunities*

★ **VERSATILE:** a range of solutions available to cater for most trim sizes and pack thicknesses

★ **QUICK:** the latest high-speed automated technology.

Pensord™

Content delivery
for publishers

To find out more about paper wrapping and other environmental mailing solutions we offer call **01495 223721** or email sales@pensord.co.uk and *become an environmental superhero* - no cape required.

* subject to minimum print runs
