

THE AWARDS ASIA 2021

Workplace of the Year

Institution name	The University of Faisalabad
Submission title or project name	Workplace of the Year
Nominee/key personnel	
URL	https://tuf.edu.pk/
Submission	<p>As an institution The University of Faisalabad (TUF) sees beyond age, gender, religion, ethnicity, socio-economic class and physical abilities.</p> <p>By providing market-based competitive salaries, study leave, medical services, old-age benefits, transportation and daycare facilities, TUF has built an excellent working environment for its employees and further promotes their capacity-building by organizing faculty development programs, training workshops and seminars, all supported by the Center of Executive Learning, and including familiarization with the ICT Resource Planning & Learning Management System.</p> <p>The conducive environment at TUF promotes employees' physical and mental health with the provision of a purpose-built hospital, gymnasium, and green landscapes. TUF ensures fair treatment policies are implemented in the workplace. An innovative research culture, commercialized projects and entrepreneurial skills are endorsed by faculty and students mentored by the Knowledge Incubation Centre.</p> <p>Extensive public awareness and Covid-19 safety protocols have been observed on campus, with provision of online teaching methodologies to enable working from home.</p>
