| Submission | <p>Swansea University's award-winning Enterprise Team and army of staff champions have driven innovative challenges and initiatives to push our students to become the best and most entrepreneurial versions of themselves. One of our five key institutional pillars and through our Entrepreneurship Strategic Development Group, enterprise education is at the heart of what we do.</p> <p>Pro-Vice Chancellors at Swansea have become a catalyst for embedding enterprise education and championing the importance of the skills development. Since 2018, over 14,000 students have benefited from skills support, enterprise experiences and experimentation and creating innovative solutions. 50 student start-ups alone were established during 2020, a testament to the resilience and ingenuity of our students throughout the pandemic.</p> <p>With initiatives like the "Start-Up to CEO" Mentorship Scheme, "Accelerator Programme", "The Big Pitch", "£100 Challenge" and more, Swansea University aims to be a leading catalyst for enterprise and entrepreneurship in higher education.</p> |
