Submission	<p>Catalyst opened in 2018 and is home to Library & Learning, Student Services and Careers. Catalyst provides a hub of support for our students right at the heart of campus. The £26m investment is a visible display of Edge Hill's commitment to outstanding support for students.</p> <p>The building is a 24/7 destination where welcoming, knowledgeable and highly specialised staff are on hand to support all aspects of student life, research, learning and career development. Students can access the university library, study spaces and a range of specialist services.</p> <p>The aim of Catalyst was to create a breath-taking venue which ensures students can access everything they need under one roof.</p> <p>Edge Hill's performance for Learning Resources in the NSS has continued to rise – as a result the university is top in the North West region for this category.</p> <p>This new, integrated way of working has seen increased engagement with all services.</p>
