Submission	<p>Professor William (Bill) Hunter is a highly experienced and well thought of supervisor. His students have come from many different countries, with first degrees in an array of subjects, and have gone on to diverse careers.</p> <p>Bill seeks to establish a partnership that helps and challenges his students to take ownership of their projects and their careers. He has the insight and tact to guide students to build upon their talents and to recognise any weaknesses.</p> <p>This rounded and supportive approach boosts students' confidence, raises their self-awareness and helps them to identify where their true interests lie. He takes great care in creating a positive research culture within his group, which is clearly valued by all.</p> <p>Together these features and ways of working make Bill an outstanding research supervisor who is highly regarded by all his students.</p>
