Submission	<p>For Teesside University, an entrepreneurial ethos is central to our mission and role as an anchor institution in Tees Valley. Our campus is home to a vigorous enterprise ecosystem, with a vibrant environment for pre-starts, start-ups and students.</p> <p>School-based enterprise clinics and innovative curricula deliver imaginative and real-life enterprise training for student teams across disciplines.</p> <p>A proactive business team generates innovative collaborations to support our wider entrepreneurial agenda, across teaching, research and economic development; and a strategic partnership with our Combined Authority puts Teesside at the heart of regional strategy.</p> <p>Major achievements in 2018/19 included a pioneering new programme, building a community of entrepreneurial leaders, the launch of the National Horizons Centre, a key driver of the regional bioscience agenda, and the award of University Enterprise Zone status.</p> <p>We'll now build on these successes for economic recovery, giving our students everything they need for a successful, entrepreneurial future.</p>
