

THE AWARDS ASIA 2022

Workplace of the Year

Institution name	Prince Sultan University
Submission title or project name	PSU's Positive Workplace Environment
Nominee/key personnel	<p>This entry would not have been possible without the support of the Teaching and Learning Center Team that includes the Director, Associate Directors, and Academic and Administrative Coordinators. The center supports PSU's stakeholders' growth and development in collaboration with the other centers within the institution. We work together to achieve the excellence needed to create a positive workplace environment. These successful initiatives have been made possible under the guidance and support of the Dean of the Deanship of Quality Assurance and Development and the University's higher management team.</p>

Submission	<p>Aligning Programs, Departments, and Colleges at Prince Sultan University (PSU) to the needs of society is one of the major reasons for success in higher education. PSU recruits high-ranking and skilled employees from all over the globe - 45 nationalities to date.</p> <p>In collaboration with the colleges, the Teaching and Learning Center (TLC), E-learning Center, and Information & Technology Center have continually worked together to create a positive environment for all, especially during the Covid epidemic, by providing training and support. This ensures employees have maintained a healthy work-life balance in challenging circumstances.</p> <p>TLC encourages innovation and the exchange of ideas while supporting the mission by providing stakeholders professional development opportunities aimed at facilitating, promoting, and recognizing excellence.</p> <p>TLC provides young, creative students with the chance to meet industry experts who will advise and guide them on navigating their career options.</p> <p>PSU also recognizes faculty for their achievement via multiple yearly awards.</p>
