Submission	<p>The Global Leaders Alliance is the prestigious international fellowship at Alliance University. It's a multidisciplinary fellowship programme designed to train the brightest young thinkers in the world to be citizens, stateswomen and men, and leaders of thought and action in all fields.</p> <p>The aim of this programme is to prepare fellows for the unique challenges posed by the 21st century. The purpose of the programme is to provide the best possible international education for the most promising minds in Asia and the world.</p> <p>It is taught by the world's best academics from Oxford and ivy league institutions in the US. With both a taught and work experience dimensions, and fully waived tuition fees, fellows experience a rich academic and extra-curricular learning experience in a fully transdisciplinary conception of the liberal arts. On completion, they will be ready to join the upper echelons of politics, academia, the media, and policy and corporate fields.</p>
