Submission	<p>In the era of advanced technology and industrialization, UI's human resources team have adapted to the rapidly changing university environment. As a university, UI believes that HR is one of the keys to success in achieving the goals of UI itself.</p> <p>Determined to produce graduates who can take on the global competition, as well as achieve the vision, mission, and goals of the institution, each year UI holds a Capacity Building program for all staff at the administrative center of Universitas Indonesia.</p> <p>In 2022, UI collaborated with Dunamis Organization Services to organize training using The 7 Habits approach, aimed at leaders, department heads, lecturers, and other staff at Universitas Indonesia. The 7 Habits approach helps all stakeholders to succeed.</p>
