Workplace of the Year

Institution name	O.P. Jindal Global University
Submission title or project name	JGU: An Inclusive, Employee-Centric, and Continuously Evolving Workspace
Nominee/key personnel	
URL	
Submission	<p>O.P. Jindal Global University has been a leading role model in empowering employees. JGU attracts and retains its employees from 48 countries with the support of its robust and expansive research ecosystem and initiatives such as flexible working hours, housing and travel facilities, food services, and accessible healthcare.</p> <p>The university's unique research grants, conference grants, and publication rewards policies enable the faculty to maintain a balance between their research and teaching pursuits and encourage them to explore other areas of interest.</p> <p>JGU offers its employees learning opportunities through online learning platforms such as Coursera and upGrad, and sponsors them for capacity-building programs in national and international universities.</p> <p>The university motivates its employees to go beyond the periphery of their duties and to work toward the public good and the betterment of society. Additionally, with the help of its employee-run Legal Aid Clinic, JGU offers free legal advice.</p>
