

***THE Awards 2019 – Outstanding Research Supervisor of the Year***

Institution/Nominee	Gordon Morison, Glasgow Caledonian University
Title	Enabling the next generation of outstanding researchers
Submission	<p>At Glasgow Caledonian University, we believe that Professor Gordon Morison is an excellent candidate for Outstanding Research Supervisor of the Year at THE Awards 2019.</p> <p>Professor Morison continues to demonstrate excellence in his attitude and approach to supervision of research students and is known throughout the university for providing students with outstanding guidance and mentorship both during their PhDs and well into their professional careers.</p> <p>Professor Morison also maintains an excellent supervision record outside the university with numerous industrial PhD students and projects such as Knowledge Transfer Partnerships, one of which was recently awarded the Best KTP Award at the Innovate UK KTP Best of the Best Awards 2019.</p> <p>Professor Gordon Morison is an asset to the University and is greatly appreciated by all of his students, highlighted by his recent achievement at the 2018/19 GCU Teaching Awards where he was awarded the Sensational Supervision &amp; Support Award.</p>
