

# DrugSTOP

## Single Use Drug Test Kits

Our low-cost range of simple to use, single-use oral fluid/saliva drug screening kits for healthcare, workplace or personal use.

Available in singles or boxes of 25, these test kits are for drug screening only; for disciplinary or legal proceedings, positive test results should be confirmed with a laboratory drug confirmation kit, available to buy separately.

### DrugSTOP Single Drug Saliva Dipcard Test

A simple to use screening test for the detection of either THC (Cannabis) or Cocaine.

**THC or COC**

### DrugSTOP 3 Panel Oral Drug Test
