

Drug & Alcohol Workplace Testing UK Training Courses

Workplace Testing Training Days

These CPD-Accredited training sessions can either be a half day which focuses purely on alcohol testing, or a full day which covers all alcohol and drug testing in the workplace, including the Laboratory Chain of Custody procedure.

Training days are open for anyone to attend, so you will be able to engage with different companies who will be at different stages in regards to testing in their company. The course covers background theory on alcohol and drugs, limits and statistics of drink and drug driving, best practice procedures, and practical hands-on experience with evidential equipment.

These courses are available either as a Zoom-based hosted webinars, as a face-to-face training session at one of our scheduled UK locations or as a self-guided eLearning online course.
