WHO ARE MOTUS COMMERCIALS?

Motus Commercials are the largest DAF Dealer Group in the UK, with dealer locations nationwide and always growing. We are committed to supporting HGV operators to the highest standards to maximise vehicle uptime.

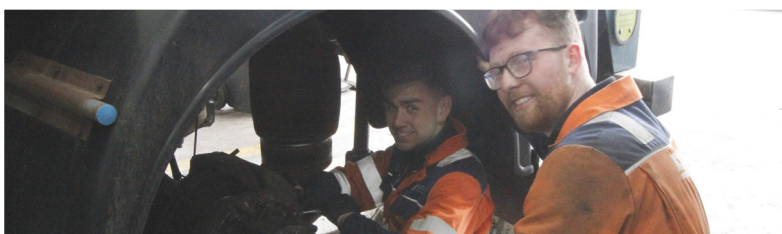

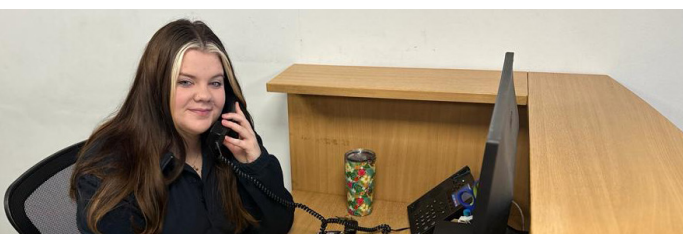

DAF have been the market leading commercial vehicle manufacturer (7.5 to 44 tonnes) in the UK for 30 years, with roughly one in every three new trucks registered in the UK being a DAF. There is never a Motus Commercials too far away, with over 34 DAF dealerships across the UK, ready to support our customers and their DAF trucks.

WHAT IS A COMMERCIAL VEHICLE?

A commercial vehicle is one that is used for business purposes for example; a truck or pick up will transport goods for every possible business type you can think of! Every item of clothing, electrical equipment, furniture or even your family car will have been transported on a truck at some point.

At Motus Commercials we offer a range of services to support these vehicles including selling them, repairing them and maintaining them.

WORK EXPERIENCE?

COME AND SEE FOR YOURSELF

Motus Commercials dealerships are organised into several departments:

Sales, Service and Parts, which work together to provide the complete package for customers who may need to buy a truck, or have it serviced or repaired.

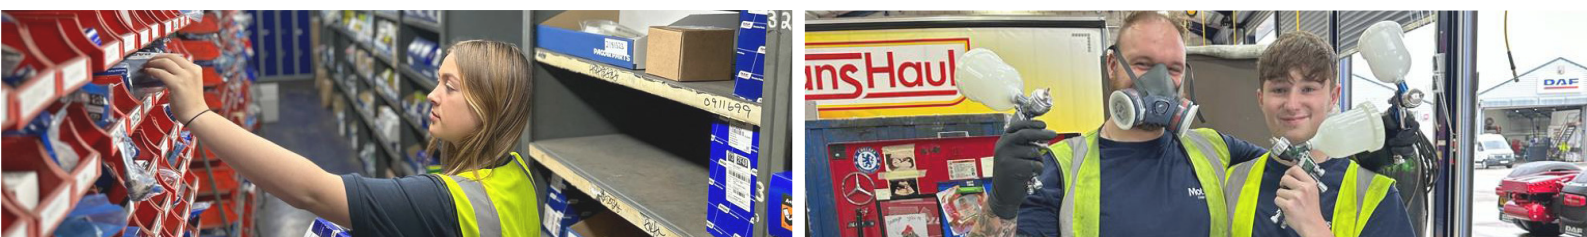

There are many roles within each department, and we are able to offer students who have a genuine interest in working in the motor industry, a weeks' work experience to try out the role that they're interested in. You could be involved in servicing and maintaining the vehicles, supporting our Parts Team as a Sales Advisor, or even selling our trucks! Doing work experience with us will allow you to gain a better understanding of what the job entails, and life in general at Motus Commercials.

If you're unsure about which role would be right for you, chat to us about your interests and your strengths and we'll find your perfect match.

WHAT NEXT?

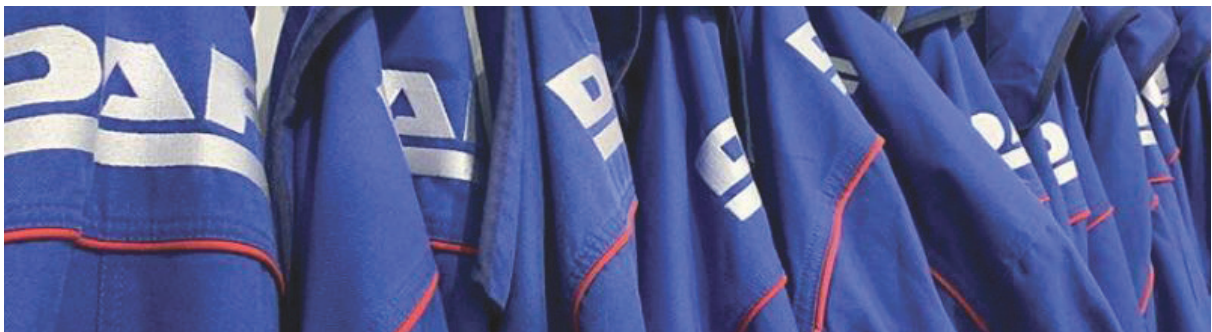

If, after completing your work experience, you decide that you'd like to join one of our dealerships, there is no need to go to college or university, you could apply for one of our Apprenticeship Programmes. These are a fantastic way to kick start your career as you can earn a wage from day one, all whilst picking up vital knowledge and skills from our colleagues to support your studies. Plus, all related costs are covered by Motus Commercials.

VEHICLE TECHNICIANS

As an Apprentice Technician with Motus Commercials, you will learn every aspect of heavy vehicle maintenance and repair. Your 3-year apprenticeship programme will equip you with both the knowledge and the practical skills needed to ensure our clients vehicles are serviced and maintained to the highest standards.

What Qualifications Could You Gain?

Our successful candidates undertake Level 3 Heavy Vehicle Maintenance and Repair Technician apprenticeships. Supported by our manufacturing partner; DAF and our dedicated training provider Skillnet, you will develop your knowledge and practical skills in preparation for your end point assessment before becoming a fully qualified Heavy Vehicle Technician.

DAF APPRENTICE ACADEMY NOTTINGHAM

The majority of your apprenticeship programme will be spent in your own dealership, learning on the job. This is supplemented by college blocks, where you will spend time at the DAF academy, learning both theory and practical skills. You will also be visited in-house by a dedicated Skills Coach, who will observe and assess your competence in the workplace. A dedicated Mentor will always be on hand to support your personal and professional development whilst at work.

A brand new, DAF apprentice academy opened its doors in Nottingham, on 16th February 2025!

Bright and spacious classrooms with enthusiastic teachers willing to help you learn.

The large, state-of-the-art workshop has space for multiple vehicles and modern equipment for you to use!

PARTS **ADVISOR**

Working in Parts puts you at the centre of everything we do. Whether you're dealing with our own Workshop Technicians or our external customers, face to face or over the phone, our Parts apprenticeship programme will equip you with the knowledge and skills needed to provide the very best service.

How Does it Work?

Throughout your 2 year Parts apprenticeship programme, you will be supported by your own team as well as a dedicated Skills Coach who will visit you in-house and support your learning towards a level 3 Customer Service Specialist qualification. You will also spend some time at the DAF academy, developing theory and practical skills, where you will learn everything you need to know about the market leading DAF product! You will also visit DAF's industry-leading facility in Haddenham, and Leyland Trucks, DAF's UK assembly plant.

SALES, ADMIN AND **CUSTOMER SERVICE**

Across Motus Commercials we have apprenticeship vacancies in Sales, Administration and Customer Service. Here our apprentices learn the integral elements of our business, dealing with customers and internal employees, and supporting the daily operation of our departments. You could be talking to customers, looking after our finances, selling our vehicles and so much more!

Where Will I Learn?

Apprentices learn all aspects of their role and department in-house whilst being supported by a dedicated Skills Coach from their training provider.

THE BENEFITS OF BEING A MOTUS COMMERCIALS APPRENTICE

Taking the step into an apprenticeship with us does not mean you forfeit a good education, it means you receive a great education, fully-funded by Motus Commercial. Instead of going to college or university, you join our friendly team in our dealerships, gain ongoing practical experience and a nationally recognised qualification, plus you get paid a wage every month! And you don't need to worry about paying to study either. All related costs, including travel, accommodation, meals and learning resources are all paid for by the business – all you need to put in is hard work!

WHAT DO WE NEED FROM YOU?

It might seem a little early to start thinking of your future career, but the work you do in years 9-11 can lay the foundations for your future success.

An apprenticeship with Motus Commercial will require you to achieve 2 GCSE's grade 4 or above, this includes Maths and English* – so work hard now and your entry into an industry leading apprenticeship could be right around the corner.

Previous experience or skills aren't necessary when applying for an apprenticeship with us, but we do need you to have the right attitude. These are the key attributes that we look for in our apprentices:

*If you're unsure about your grades or eligibility then please get in touch.

WHAT HAPPENS AFTER MY APPRENTICESHIP?

The opportunities following an apprenticeship are endless! We pride ourselves on our commitment to offering long term career and development opportunities to our colleagues, so if you're looking for real investment in your future success, you have come to the right place. Motus Commercial will always support hungry to learn colleagues in readiness to promote within – a manager position is not out of reach for you!

HOW DO YOU DECIDE IF THIS IS RIGHT FOR YOU?

Talk to your Careers Advisor, Teacher & family; consider whether an automotive career might be the one for you

Contact us and arrange a weeks' work experience in one of our dealerships! This can be organised through your school or directly with us

Call or email our Talent Team, for more information on how to apply for an Apprenticeship with Motus Commercial
