

The Aslan employee benefit.
Make your **employees' pay go further**, boosting engagement and financial wellbeing across your team.

HOW ASLAN WORKS

With the Aslan card and mobile app, you can supercharge your employees' pay by enabling rewards on all their spend. Our suite of financial wellbeing solutions allows you to **offer a benefit that employees use over 30 times a month**.

The Aslan card

A digital rewards card tied to employees' pay, earning points on every purchase, everywhere!

On-Demand Pay

Give your employees control and flexibility over their pay, free with their Aslan card and app.

Employee Gifting

Gift employees tax-efficiently with Aslan Roarward points, universally accepted and admin-free.

Salary Sacrifice

Save 000's on recent NI increases with Pension Salary Sacrifice. Deliver Salary Sacrifice schemes in one platform.

Payroll Savings

The easiest way for your people to save directly from payroll, earning unmatched rewards for achieving their goals.

Budgeting & Education

Budgeting is easy and impactful with the Aslan card with helpful educational content is built right into our app.

- ✓ Offer a highly engaging benefit used by all employees.
- ✓ Deliver value tax-efficiently with Aslan gifting.
- ✓ Reduce costs with our Pension Salary Sacrifice enablement.
- ✓ Work with an admin-free solution that is payroll enabled.
- ✓ Pick from a modular set of features trusted by leading employers to engage, attract and retain top talent.

3x

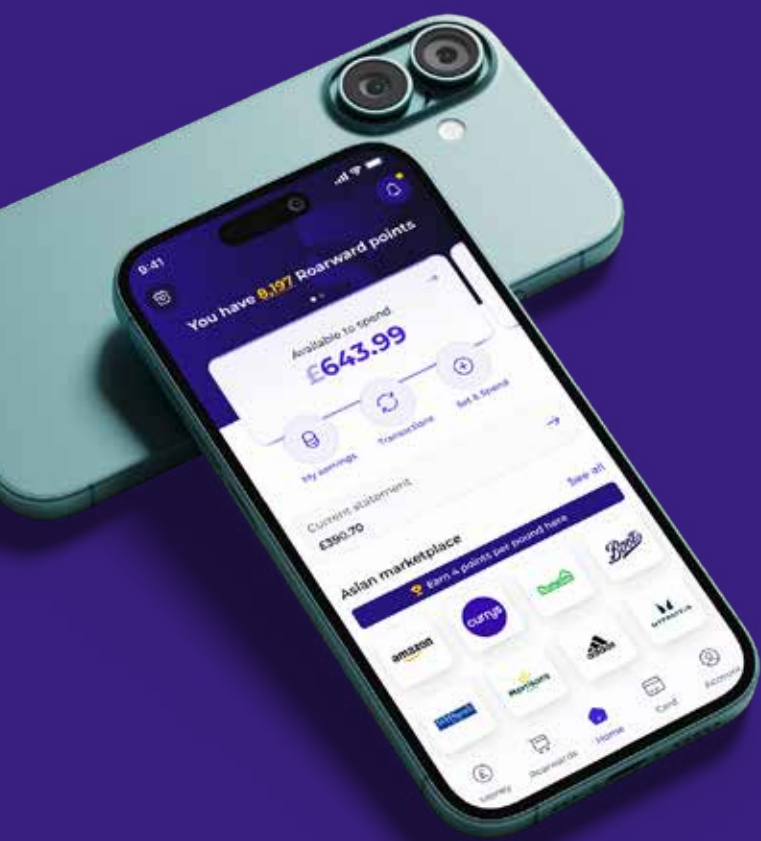

More efficient at delivering value than a comparable pay rise

30x

How often an average employee engages with Aslan every month

<10mins

Administration time needed per month across all teams

FINANCIAL WELLBEING WITH ASLAN

We exist to ensure employees get the most from the pay they already earn and support our clients in **reducing their compensation costs**.

Quick and easy to implement we work seamlessly with payroll, requiring minimal operational effort for your team.

Our range of products allow you to offer on-demand pay, simple budgeting, payroll savings, and financial education all in one easy-to-use platform. Our salary sacrifice solutions help reduce compensation costs, while gifting with Aslan delivers value to employees in a way that is often tax-free.

Aslan is used everyday.

Delivering financial value to employees and employers.
