“ We have always had an exceptional experience on both the account management side and the service level side. It's extremely rare we encounter any problems with our YorkTest flexible benefit – it's a very simple and easy process for both employees and us on the administrative side. Especially as they've integrated seamlessly with our benefit platform. We always have fast and informative responses, and are so helpful.

- Global outstaffing agency

“ Throughout our partnership, YorkTest consistently demonstrates a commitment to delivering high-quality services and a passion for improving the health and well-being of individuals. Their dedication to excellence, coupled with their innovative approach, has been instrumental in our joint success. It's been a pleasure working with YorkTest.

- Top employee recognition software provider

“ We've been working with YorkTest for apprx.3 years now and are very satisfied with their services. Predominantly, we've utilized their employee testing services. In the past, we also conducted some testing days, although we haven't done so recently due to internal budget constraints. Also, YorkTest has participated in our annual employee benefits fairs.
