

Employees
use Aslan
30x
times a month
on average

Make employees' **pay** **work harder**, every day.

Aslan is the only cost-saving employee reward and benefits platform that:

-  Saves employers money through tax efficiencies, NI reductions, and benefit consolidation.
-  Delivers instant value to employees, making their money work harder without them having to change behaviour.
-  Consolidates multiple solutions in one modern card & app making benefits simple, engaging, and scalable.

The Aslan card

1% back everywhere, higher at Amazon, supermarkets & high street brands.

Works with Apple Pay & Google Pay, in-store, online, worldwide.

Flexible Pay

Employees choose when and how they're paid.

No fees, payroll-embedded, instant access.

Rewards

Tax-efficient rewards with Aslan Roarward™ points.

Instant, admin-free, spendable anywhere globally.

Salary Sacrifice

Save £000s on NI with Pension Salary Sacrifice.

Run all your sacrifice schemes simply in one platform.

£,000s saved

Employers save thousands annually via tax efficiencies and platform consolidation.

30x usage

Employees use Aslan 30x a month (vs. more than 2x usage of discount platforms).

£750 pay rise

Aslan increases employee take-home pay in line with a £750 pay rise per user.

BOOK A DEMO TODAY

"Talent Mapper weren't just looking for another perk, we needed to address real needs across our team. With Aslan, our people use it day-to-day and they value the flexibility. It's had a real impact on engagement while saving the business money at the same time."

— Martin Mason, CEO @ TalentMapper
