

Welcome to the smartest way to get an electric car

What is salary sacrifice?

An EV salary sacrifice scheme lets you lease an electric vehicle (EV) by giving up part of your pre-tax salary.

This means you'll be saving 20-40% on the cost of an EV, making it easier to afford and drive an eco-friendly car

How much you could save every month:

Mercedes-Benz EQA - Savings for a 40% taxpayer

Average cost:	£695
Income tax & NI savings:	-£292
Benefit in kind tax:	£50
Cost:	£453

£242 SAVED!

Volkswagen ID.3 - Savings for a 20% taxpayer

Average cost:	£453
Income tax & NI savings:	-£127
Benefit in kind tax:	£16
Cost:	£342

£111 SAVED!
