8% of TSB's 5,000-strong workforce self-identify as carers.

They partner with KareHero to **support** and **retain talent**.

This service will:

- Help employees identify and access **£1.78M** of funding
- Save employees over **13,000 hours**

We know that adult care is increasing and growing in the UK. The range and flexibility of support that KareHero offers just matched and complemented what we had in place brilliantly. TSB carers have described the support as the fourth emergency service.
