Note: Price per/1000

Other sizes are available please contact the sales department for further information.

On your first order you will need printing plates as a budget they cost £45.00 each and you will need one plate per colour per side (so 2 sides 2 colours £180.00).

This price is based on a print area no greater than 300 x 300mm, larger areas can be done but prices will be greater.

The prices include delivery to one mainland UK address excluding the Highlands and Islands these will carry an additional charge. VAT is extra.

If you require these bags to have a turnover top for additional strength add £25.00 per/1000

Maximum ink covers 50% using compostable inks.

This product is certified home compostable.
Complies with European standard EN13432
