👉 **Initially it was known as Villa Rica,** and in 1864, by order of General Tomás Cipriano de Mosquera, the name Segovia was officially added. Many years later, on April 8, 1915, Villa Rica de Segovia was renamed Marseille, a change meant to reinforce its evolving civic and cultural identity. Finally, on July 18, 1915, this date was formally recognized as the moment of its foundation as an established municipality, marking the beginning of its administrative and historical development.
