

## BHVS VALVE CLINIC STUDY DAY

09:00 – 09:30 Registration and Coffee

### WHY, WHAT AND WHO?

09:30 – 09:45 **Why is a valve clinic needed?** (growing prevalence, more techniques than ever, limitations and variations in care, non-adherence to guidelines, incomplete detection, difficulties in assessment, late presentation, evidence that valve clinics work)

**Anita MacNab**

09:45 – 10:15 **What is a valve clinic?** (competency vs specialism, network organisation, DGH and heart centre, clinical and organisational aims of a clinic, disciplines involved and their roles, larger aims as banner for HVD e.g. education and training, patient consent education and engagement, general vs TAVI clinic, BHVS and ESC CVI guidance)

**John Chambers**

10:15 – 10:45 **Which patients are suitable and how often is echo needed?** (moderate and severe native, post-repair or replacement, aortic disease, BAV and MLP, futility, links with elderly care and heart failure services, discharge policies, triage, what to do for mild valve disease - who can be discharged, who needs call-backs, or community care )

**Guy Lloyd**

10:45 – 11:15 Coffee

11:15 – 11:45 **Thresholds for intervention.** When is early surgery in AS indicated, watchful waiting vs early surgery for primary MR, are current indications for chronic AR too conservative, asymptomatic severe MS and non-cardiac surgery

**Laura Dobson**

### HOW?

11:45 – 12:00 **The clinical visit** (history, examination, life-style discussions including endocarditis prevention)

**Andrew Marshall**

12:00 – 12:20 **Setting up a clinic** (training, business case, letters, protocols, other tests needed, work-force organisation)

**Brian Campbell**

12:20 – 12:40 **Patient-centred care** (the patient as link, education and empowerment, patient passports, what do patients want from a valve service and things that concern the patient, how reliable is the web)

**Pat Khan**

12:40 – 13:00 **Discussion**

### Early bird registration

Register online at [www.bhvs.org.uk](http://www.bhvs.org.uk) before 21st March 2020 and save and £20 off the prices below

Member

£100

Non member

£120

### BHVS VALVE CLINIC STUDY DAY

13:00 – 14:00 Lunch

### MODELS OF CARE (generalities, pearls and pitfalls)

14:00 – 14:10 **The 2015 BHVS survey**  
**Sanjeev Bhattacharyya**

14:10 – 14:25 **Nurse-led clinics**  
**Denise Parkin**

14:25 – 14:40 **Physiologist-led clinics**  
**Nikki Smith tbc**

14:40 – 14:55 **Multidisciplinary clinics**  
**Sanjeev Bhattacharyya**

14:55 – 15:15 **Community clinics**  
**Chris Arden**

15:15 – 15:30 **Discussion**

15:30 – 16:00 Tea

### THE FUTURE

16:00 – 16:20 **Improving detection of valve disease** (auscultation, community echo, hand-held point-of-care echo, calcium on CT, alerts in echo lab, murmur clinic)  
**Rick Steeds**

16:20 – 16:40 **Valve disease in an evolving NHS** (networks, 10 year plans, GIRFT)  
**Simon Ray**

16:40 – 16:50 **A valve service in 2029** AI, EHR, interconnected networks  
**John Chambers**

16:50 – 17:00 **Final Discussion**

### Venue:

The BHVS Valve Clinic Study Day 2020 will be held at Crowne Plaza Birmingham City Centre, Holliday Street, Birmingham, B1 1HH

### Accreditation:

**The BHVS Valve Clinic Study Day 2020** has been approved by the Federation of the Royal Colleges of Physicians of the United Kingdom for six category 1 (external) CPD credits, six BHVS points and has been allocated three BSE reaccreditation points.
