

ePoster

Free Standing Display

EP5540T

EP5542T

The ViewSonic ePoster is an all-in-one free-standing digital display solution with a sleek, slim design and dual integrated speakers. Great for grabbing attention in busy, high-traffic areas. The ePoster comes with a scratch-proof tempered glass faceplate for added durability.

4K Resolution

This display features 4K resolution for unbelievable pixel-by-pixel image performance and a more realistic viewing experience.

Full HD | 4K

All-in-one with Integrated Media Player

This display features an integrated media player with quad-core processor and 16GB storage, providing smooth and reliable multimedia contents playback without the need for an external media player or PC.

Access to Web Contents

Integrated with RJ45 connectivity, the display offers convenient web browsing functionality.

Users can search online and watch videos directly on the display without having to connect to other computing devices.

USB Multimedia Playback

Customised photos, music, and 4K video can be quickly displayed on-screen directly from a USB drive.

Content Scheduling & Settings

The display provides an efficient, user-friendly scheduling interface via the on-screen display (OSD).

Setup features include time and date scheduling, ensuring that the display runs smoothly and on time.

Dual 10W Speakers

Designed with dual integrated speakers, this display combines incredible screen performance with stereo sound for an immersive multimedia experience.
