# NDR + EDR IS SMARTER SECURITY

## Test Drive The ProtectWise Grid™

[protectwise.com/smarter-security](https://protectwise.com/smarter-security)

Network Detection & Response (NDR) is the next big thing in security.

It's like EDR but for the Network.

ProtectWise is leading the pack with The ProtectWise Grid, a Cloud-delivered NDR platform that integrates with your EDR deployments.

Register for a 72-hour test drive to get hands-on with The ProtectWise Grid. Experience how unified, on-demand detections and forensics enable rapid and integrated incident response and threat hunting.
