## Agenda at a glance

### DAY 1: Tuesday 10 November

12:00	Registration opens	
14:30	<b>NEW: Alternative Residential,</b> hosted by	
16:00	<b>NEW: Digital transformation,</b> hosted by	
17:30	<b>Welcome &amp; evening programme: Talent and entrepreneurialism</b> Featuring: <b>RESI Trailblazers Alumni</b> in association with	

**Keynote speaker:**  
**AI - Transforming talent management**  
**Daniel Hulme, CEO of Satalia**

AI is transforming the way you harness your people's talent and maximise their potential for innovation. Daniel will share how trailblazing organisations are using AI to access the best talent inside and outside their organisations in order to fuel innovation and break boundaries.

**Presentations & Q&A:**  
**Encouraging talent & entrepreneurialism**

Employers are battling for the best talent - and this talent is looking at every angle of the employer's corporate persona & culture. Discover the strategies being employed to attract and retain the right talent, with the skillset needed to address the current challenges.

19:30 **Evening reception and dinner**

Please note: Information correct at time of publishing. Programme and speakers subject to change.

### DAY 2: Wednesday 11 November

09:00	<b>Keynote political address:</b> <b>Robert Jenrick</b> , Secretary of State for Housing, Communities and Local Government
	<b>Research presentation:</b> <b>Future trends in residential development, with Savills</b>
	<b>CEO Panel Discussion: Future trends in residential property - how will COVID19 impact the sector?</b>
	<b>Standing at a critical crossroad on climate change &amp; ESG: will the crisis accelerate the sector's response? #BuildBackBetter - Creating a roadmap to being a 'better business'</b>
	<b>Has the crisis thrown planning up in the air, is it time for an innovative approach?</b>
	<b>Keynote speaker: Economic scenarios and the availability of finance in the post-Covid-19 world</b> <b>Vicky Pryce</b> , Chief Economic Advisor, <b>Centre for Economics and Business Research</b> The economic impacts of Covid-19 are only just starting to be felt. Based on latest intelligence and lifetime spent forecasting economic outcomes, Vicky examines possible future scenarios, government responses and monetary policy options. Beset by low economic confidence and suppressed consumer spending, how is the residential sector likely to perform? And how much can we expect the government to do to stimulate recovery?
	<b>Panel discussion: Made of money. Where will the finance come from to support the future of house building?</b> Vicky Pryce is joined by investment specialists working at the coalface of residential finance to understand how money markets are shaping up. Will finance be available for residential building and where will it come from?
	<b>Covid - construction catastrophe or evolution accelerator? Measuring the shift from traditional to modern</b>
	<b>The post-pandemic home: A future vision</b>
	<b>Reshaping the residential landscape: Buildings, communities and technology</b>
	<b>Chair's closing remarks</b>
17:30	<b>Farewell networking reception</b>

## Book with confidence: your guarantee

Your safety is our top priority, and we are following the latest government guidelines. We're working with the venue to ensure that RESI Con is Covid-secure, so that everyone is comfortable, safe and ready to focus on business.

Should government restrictions require the event to become online only, all in-person tickets will be automatically transferred to online tickets, and a refund of the price difference will be issued.

“ RESI is one of the best events for us. Great attendee list, great programme, great speakers. ”

Gergana Nash,  
Business Development Lead, Grain Connect
