

THE ENGINEER

**Collaborate to Innovate
2024**

**CELEBRATING THE VERY BEST IN UK COLLABORATIONS
AND TECHNOLOGY IN ENGINEERING**

<https://awards.theengineer.co.uk>

Now in its 9th year The Engineer's Collaborate to Innovate Awards has established itself as the industry's most important and valuable set of awards.

Through Collaborate to Innovate we aim to uncover and celebrate the UK's most inspiring, innovative and effective collaborative technology projects and individuals.

The 2024 Awards launch in May and culminate in February 2025 where we bring 250 of the industry's innovators together for our Networking event at One Great George St, London.
