INSTALLER AWARDS 2026

CELEBRATING AND PROMOTING EXCELLENCE IN GLAZING INSTALLATION

WELCOME

On behalf of the entire team at Glass & Glazing Products magazine, it is my pleasure to welcome you to the 2026 Installer Awards, recognising the very best of the UK glazing industry.

Today is a celebration of the projects, innovations and – ultimately – the people that make this sector tick. Our judges remarked at the huge step-up in the quality of the entries this year, and in years gone by any one of you could have won the category you have been shortlisted for. More so than ever, make sure you check out all the nominees' stories in our Shortlist gallery by scanning the QR code.

There can only be one winner, though, and for those lucky enough to take home a prize this afternoon, you can hold your heads up and say that you are the very best of the best, and that the work you do is some of the strongest we have seen in the five-year history of these awards.

Everyone at GGP sends our congratulations to all of you.

New for this year is the GGP Project of the Year award. This is a special prize, chosen by the GGP team from the winners of the eight Project categories as the stand-out entry from this year, demonstrating the very best in installation excellence. It will be the last one announced at today's ceremony, so make sure you pay attention until the very end!

I would like to thank our sponsors and supporting organisations, without whom the awards programme would not have been possible. Their support for the people and innovations that set this sector apart is commendable.

Thanks also go to our fiercely independent team of judges, who have given up hours of their time – over Christmas – to pore through the entries and pick the winners. It's no mean feat and we are grateful for their efforts.

A final mention goes to our charity partner. This year, we are supporting Harry's Pals, an amazing charity that provides support to parents of disabled or severely ill children. It offers counselling and therapy for parents, as well as providing short breaks to affected families. We will be running a silent auction during the event, so dig deep and help support this great cause.

Once again, to all our nominees and winners, this is your day. Remember that you are all the embodiment of excellence, and even reaching this stage is an achievement in itself.

Plans are already afoot for next year's edition of the awards, so if you have a project, person or initiative that you think deserves to be in the spotlight, we are excited to hear about it.

CHRIS BECK

Editor, GGP magazine

Harry's Pals

WE ARE A UNIQUE CHARITY THAT OFFER EMOTIONAL SUPPORT TO PARENTS WHO HAVE RECENTLY RECEIVED A DIAGNOSIS THAT THEIR CHILD IS SEVERELY ILL OR DISABLED.

WE ALSO ACTIVELY WORK TO ENCOURAGE BETTER SUPPORT FOR DISABLED PEOPLE AND THEIR CARERS.

1

We enable families to have short breaks away

2

We provide bespoke counselling and therapy sessions

3

We offer peer support

4

We use our experiences to inspire change

Would it surprise you to learn that parents, after receiving their child's heartbreaking and life-changing diagnosis, are sent home with no emotional support at all?

We know the devastating impact this has on a family's ability to cope and are here to bridge this damaging gap in support.

For more information and to find out ways you can help go to: www.harryspals.org

Registered Charity No: 1198592

MEET THE SPONSORS

HEADLINE SPONSOR REYNAERS ALUMINIUM UK

As one of the UK's leading suppliers of innovative and sustainable architectural aluminium systems, Reynaers Aluminium prides itself in delivering high-quality window, door and curtain walling systems for residential and commercial projects. Expertly engineered, each system is designed to meet the highest requirements when it comes to critical characteristics such as design, functionality, performance and aesthetics.

It is this combination of unparalleled product quality, expertise and innovation which makes Reynaers the partner of choice for architects, fabricators and installers alike. Based in Birmingham, Reynaers is ideally placed to support projects across the UK. Alongside its Knowledge Centre and warehouse, Reynaers' showroom provides a space for customers to explore products and receive hands-on training.

MAIN SPONSOR EEMPLAS

Set up in 1979, and still running as a family business, Emplas is the window and door fabricator of choice, helping to secure and insulate homes across the UK. Backed by the best customer service and IT innovation, we fabricate a complete range of premium-quality, high-security, appealing, energy-efficient windows and doors for the trade installer, newbuild, refurbishment, and social housing markets. By prioritising customer service, offering dedicated marketing support, and delivering industry-leading products, Emplas is a trustworthy, dependable choice for trade PVC-U and aluminium windows and doors, and composite doors.

MAIN SPONSOR MORLEY GLASS

Morley Glass is the UK's leading manufacturer of bespoke integral blinds. Its Uni-Blinds® range of premium shading and privacy solutions are built exclusively on the globally renowned ScreenLine® systems to guarantee outstanding aesthetics and long-term reliability.

All integral blind units are manufactured at its Leeds factory and delivered to installers with complimentary delivery in as little as 10-12 working days. Morley Glass supports its approved installers with a comprehensive marketing, sales, technical, and aftersales package, and it provides a free post-consumer glass collection and recycling service which helps them save money by reducing their landfill waste.

CATEGORY SPONSOR BUILDING OUR SKILLS

Building Our Skills – Making Fenestration, Glass and Glazing a Career of Choice is committed to bridging the growing skills gap by working closely with employers and other organisations to attract new entrants to the industry, and by upskilling the existing workforce to inspire them to see the industry as a home for their long term career ambitions, and not just a job for now.

Our aim is to inform, encourage, support and inspire

CATEGORY SPONSOR GLAZPART

From its inception in 1986 Glazpart has grown to be a key partner in the fenestration market for the injection moulded parts and accessories needed to build, install, toe and heel, secure, drain and more recently ventilate quality windows. In the early years Glazpart developed glazing packer solutions which included the innovative flexi corner packers, speeding up IGU installation.

Today, the award-winning Link Vent product range meets the ever tighter building regulations to deliver background ventilation whilst at the same time speeding up installation and camouflaging these highly visible hardware components on an ever increasing range of frame colours and woodgrains.

CATEGORY SPONSOR XPERT

Xpert is a leading provider of tried-and-tested glazing hand tools, silicones, and consumables to the window and door industry.

Designed specifically with installers and fabricators in mind, our tools are built to enhance productivity, improve results and save time. From precision cutting and measuring tools to durable machinery components, Xpert equips professionals with the essentials they need for success.

With a growing network of over 400 stockists across the UK, our practical and proven products are easily accessible to trade professionals nationwide. Trust Xpert for reliable solutions that elevate your fenestration endeavours.

HOST SPONSOR ALUK

AluK is the UK-based aluminium systems company which puts customers at the heart of everything it does. It starts with a comprehensive range of new and well-loved, high quality products designed to help customers win business, and extends to a market leading support package which helps with every aspect of fabricating, selling and fitting AluK windows, doors and curtain walling systems. Dedicated, specialist teams within AluK deliver technical, design and engineering assistance, training, testing, marketing support, and help with retail lead generation and commercial sales.

With a long and impressive history in the UK and the backing of a global group, AluK has the experience, resources and infrastructure fabricators and installers need to give themselves a competitive edge.

MEET THE SPONSORS

DRINKS RECEPTION SPONSOR RILLA

Rilla (backed by Google) is the leading AI sales coaching tool for the home improvement industry, trusted by over 2,000 companies including Neighbourly, Home Depot, Pella, and Renewal by Andersen. Companies using Rilla see an average 30% increase in close rates and 17% uplift in average ticket size.

How it works:

- When sales reps visit customers in their homes, they record the conversation using the Rilla app.
- Rilla's AI automatically transcribes and analyses each conversation, delivering personalised coaching feedback to reps and giving managers 100% visibility into every field visit, without needing to ride along.

POST-EVENT DRINKS SPONSOR THINKIVITY

thinkivity

thinkivity was born from the Glazing Summit in 2024, where Elton Boocock's talk on the future of selling windows and doors highlighted a clear industry need. Today, thinkivity helps glazing professionals adopt AI through bespoke training, strategic consultancy, and its growing membership, GlazePro AI.

Professionals across the sector use thinkivity to improve efficiency, stay ahead of change, and build AI confidence in a glazing-specific environment. Whether it's hands-on team training or peer support through live workshops, thinkivity exists to make adopting AI practical, valuable, and entirely relevant to the way our sector works.

SUPPORTING ORGANISATIONS

CERTASS

Certass Limited is the UKAS approved certification body that offers low-cost, common-sense certification for the building fabric trade. They operate a Competent Persons Scheme that comes with the best free benefits in the industry, including free listings and homeowner reviews via their dedicated consumer site www.certifiedcompetent.co.uk.

Dedicated to helping installers to improve competence and promote best practice, Certass have supported the GGP Installer Awards since they were launched in 2019. They are a proud partner and excited to be involved in the only industry event dedicated to celebrating the impressive projects delivered by our talented glazing installer community.

FENSA

FENSA's mission is to improve window and door replacements across England and Wales, by professionalising installers and protecting homeowners. We help the FENSA community save money and win more work.

We make sure the work complies with building regulations, is energy efficient and registered with the local council. We verify that every FENSA Approved Installer's guarantee is insured and your customers get the famous FENSA certificate.

CHARITY PARTNER

HARRY'S PALS

Harry's Pals is a charity dedicated to addressing a critical and often invisible gap in support for parent carers across the country. Founded in 2022 by Hayley Charlesworth, whose son Harry has profound and complex needs, the charity was born from lived experience and a deep understanding of the emotional toll placed on families – and the devastating consequences when parents are not cared for.

When parents receive the life-shattering news that their child has a life-limiting or life-threatening condition, many are plunged into overwhelming fear, grief, and isolation. Without support, families can reach breaking point. Parents describe feeling abandoned, hopeless, and, in some cases, suicidal. Harry's Pals exists to intervene before families reach that crisis. Through vital emotional support – including bespoke counselling and therapy, peer support networks, and restorative short breaks – we help prevent family breakdown and reduce the risk of catastrophic outcomes. Our work ensures families are seen, supported, and are able to find coping mechanisms for the road ahead.

MEDIA PARTNERS

GLASS & GLAZING PRODUCTS

Glass and Glazing Products (GGP) magazine provides fresh insight for businesses in the UK's window, door, conservatory and glass trade. Established in 1982, it is printed monthly, and also available to read online.

At the cutting edge of the window, door and conservatory market, GGP represents the full spectrum of the industry: from installers to fabricators and from systems houses to hardware manufacturers. GGP's mission is to arm its readers with the information they need to enhance their businesses in what is a competitive and challenging marketplace.

GLAZING SUMMIT

The Glazing Summit is the only place where the fenestration industry's biggest names gather for a day of networking, debate and idea-sharing. In a sector defined by rapid change – from tightening regulations to shifting supply chains, and from increasingly picky homeowners to the rise of technology – this is the chance for the industry to share the solutions to the key challenges that will be shaping the future of the sector.

This year's event is taking place at the Coventry Building Society Arena on Thursday 9 October.

MEET THE JUDGES

CHRIS BEEDEL

**Head of Government Advocacy
and Stakeholder Relations**
Glass and Glazing Federation

Chris has more than 30 years' experience working with certification bodies. He was director of membership at FENSA for four years. Prior to this, Chris held roles in a range of organisations outside of the glazing industry. He has also held positions at the Electrical Contractors' Association and the Building Research Establishment.

FAY BIBI

**Sales Manager -
Custom and Speciality Products**
Glazpart

Fay has spent 30 years in the plastics industry, with a specific focus on the manufacture of injection mouldings. She has worked for Glazpart for around 20 years in a variety of roles, including sales manager for the south of England and Europe, where she worked directly with Glazpart's top 100 customers across those regions. Recently, she was promoted to sales manager for custom and speciality products, focusing on custom and bespoke mouldings for Glazpart's customers.

DAVE MECHEM

**Director of Inspection
and Assessment**
RISA

Dave is the Head of RISA, the Glass and Glazing Federation's dedicated inspection provider. He oversees all RISA operations, including the delivery of every FENSA inspection nationwide, and leads a wide range of inspection and assessment services across the fenestration and wider construction sectors. With 30 years of industry experience, Dave has built a reputation for expertise, precision, and a commitment to raising standards.

BRIAN SMITH

Director
BAJSMITH Consulting

Brian Smith works as a Business Consultant to the Home Improvement Industry and Retrofit Sector. With over 30 years' experience of improving operational procedures of businesses for both increased profit and excellent customer service, Brian has also carried out the updating of trading terms and conditions of several retail businesses to meet current Consumer Rights laws, for which he is a certified trainer. Brian serves on the Board as a Non-Executive Director for RetrofitWorks, and is a member of the Consumer Protection Panel for the Chartered Trading Standards Institute, National Trading Standards Scams Team and Consumer Friend.

JON VANSTONE

Executive Chair
CERTASS

Jon Vanstone is Chair of Certass, the Industry Competence Committee at the Building Safety Regulator, and the National Home Improvement Council. Through these leadership roles, he bridges policy and practice, ensuring SMEs have a strong voice in shaping regulation and national reforms on building safety, competence, and compliance. Recognised for championing cultural change and trust across the sector, Jon brings unparalleled insight into how regulation and industry priorities intersect, making Certass members among the best informed and supported businesses in the home improvement market.

SIONED YATES

**Owner and Director,
Access Marketing**

Sioned is owner and director of the recently launched marketing consultancy business Access Marketing, with the specific goal of supporting businesses with their strategic marketing and planning to grow sales. She has worked in fenestration, construction industry and building materials marketing for more than 30 years, on brands such as Lafarge Plasterboard (now known as Siniat), REHAU, Brandon Tool Hire, AluK and most recently Whitesales.
