Explore Aurora Classroom today!

Resources for all: find the perfect activities for your class, choose from fully-planned units for EYFS, Primary, Secondary and SEND settings, or build your own lessons from our extensive audio and activity libraries.

Take the stress out of planning! Each activity includes everything you need to teach the lesson, from audio tracks to pdf worksheets.

“Brilliant, I can’t fault these resources! Everything is well-prepared and explained. Our children love getting involved.” – Sarah, SEND teacher
