EPSILON TIMBER & RECYCLING CRANES

EPSILON CRANES HIGH-QUALITY TRAILERS IT JUST STACKS UP

High-quality lorry loader cranes meeting the specialist needs of the forestry and timber industries.

PALFINGER EPSILON forestry cranes provide the smoothest handling, and accurate placement of timber. Combine this with a high-quality and robust timber trailer, and you have an asset with all the essential qualities needed for efficient forestry tasks.

Our products are built to high specifications, and tested to meet stringent operating standards, giving you a reliable product for remote forestry work.

EPSILON EPSCAB cabins with heaters, air conditioning and windscreen wipers, protect the operator, and give a safe, comfortable environment for high-productivity.

PALFINGER

EPSILON TIMBER & RECYCLING CRANES

Exclusive distributors of PALFINGER EPSILON products in the UK, PALFINGER UK's specialist forestry knowledge can support you in specifying the right product for the job.

Our installation team and fitters will then build your crane to the high-quality standards of PALFINGER EPSILON.

We have five UK service depots with our own fully qualified engineers and specialist parts. When a crane needs attendance at your yard or in a forest location, one of our regional Mobile Service Engineers will attend, and get your vehicle operational as quickly as possible.

To find out more about PALFINGER EPSILON forestry cranes, installation, parts and servicing, speak to PALFINGER UK today, or visit palfinger.co.uk.
