Qualify

Out-of-the-box

Theoretical and
Practical Training

Recruiting
Initial Training
Recurrent Training

Draxon is closing the gap between Theoretical and On-The-Job training

Theoretical & Web-Based

🥽 **Practical VR**

On-The-Job

The best training results come from using the right method for the right task

💻 **Web-Based**
- Compliance
- Read & Sign

🎮 **Simulator**
- GSE driving and operating

👷 **On The Job**
- Complexity of real ops
- Teamwork
- Local procedures

🎓 **Classroom**
- Concepts and context
- Local policies, SOPs

🥽 **VR**
- Procedural practice
- Safety-critical tasks
- Building muscle memory

🔧 **Practical**
- Hands-on skills
- Variety of GSE types
