Cross Checked

Cross Checked makes fleet and driver management effortless

Take full control of your company's vehicles with a simple, intuitive QR system built for efficiency and clarity.

Cross Checked gives you a single, centralised view of your entire fleet. Easily add vehicle details and track your fleet's condition at any time. Stay on top of servicing and maintenance schedules, receive instant notifications of defects, and ensure every vehicle remains safe, compliant and road-ready.

At Cross Checked, we understand that your time is best spent on running your business, not navigating complex systems. That's why we've built a simple, intuitive platform that delivers maximum impact. Our goal is to take the hassle out of fleet management so you can focus on what matters most: growing your business.

-  No Apps.
