Cross Checked makes fleet and driver management **effortless**

With **Cross Checked**, everything you need is just a QR code scan away – no apps, no contracts, no hassle.

Cross Checked gives you a single, centralised view. Quickly and easily add, categorise, and manage all your vehicles, so you always know what you have, where it is, and what condition it's in.

Our platform empowers your team to make smarter, data-driven decisions, reduce downtime, and optimise asset usage across your business. Whether you're managing a small fleet or hundreds of vehicles across multiple sites, **Cross Checked** brings visibility, control, and confidence to your operations.

Seamless Vehicle Maintenance & Fleet Management
Fleet and driver management made effortless.

With a platform designed to keep your day running smoothly.

Cross Checked

One platform. One Scan. Total Compliance.
