## ALCOHOL VEHICLE INTERLOCK

Cost-effective  
breath alcohol  
vehicle interlock

The Drivealyzer ALX3000 is a complete alcohol safety solution, fully integrated into your vehicle. It works by ensuring that your vehicle will only start after a negative breath alcohol test is provided by the driver.

# STOP drink driving in its tracks

50,000 drivers are banned every year through drink driving. Protect your business, vehicles and the public with Drivealyzer.

## Zero Downtime

Swap in, Swap out handset calibration.

No admin, no downtime, and always ready for the road.

## Permanent Handset Warranty

Our warranty covers the entire lifetime of your unit, excluding accidental or malicious damage.

## Fleet Management

Support includes configuration updates, PIN starts data downloads, adjustable settings for limits, blow times, and more.

**Unique Swap in, Swap out all-inclusive warranty and maintenance contract from just £13.26 per month.**
