TURBOCHARGERS
COMMERCIAL VEHICLE

Introducing the EBS Turbocharger brochure for the Commercial Vehicle. This comprehensive brochure includes over 100 turbochargers currently in stock, along with gasket kits for most products.

Each listing details OE part numbers, Turbocharger manufacturer's part numbers, cross references, gasket kit, engine, and weight.

As an official distributor for BorgWarner and Garrett, EBS also supplies turbochargers from Holset, IHI, and Mitsubishi — ensuring a wide range of high-quality solutions for various market needs.
