With a commitment to excellence, innovation, and personalised service, we take pride in connecting top talent with leading organisations, driving success and growth in this critical sector.

SECTORS

The smooth running of complex logistics operations up and down the country depends on having the right people where and when you need them. We understand what's at stake and work to take the stress out of your resourcing needs. Whatever role you're recruiting for, we have the reach and expertise to secure the talent you need.

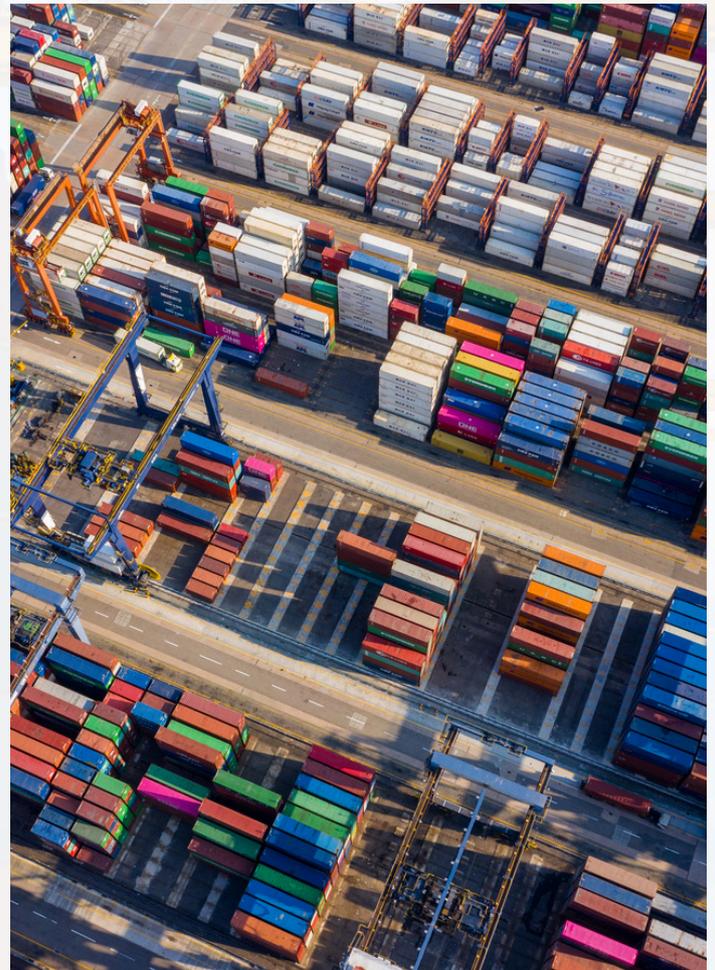

Freight & Customs
Transport & Logistics
Storage & Distribution
Procurement & Supply Chain

WHY GRN?

- Industry Specialists
- Solutions Led Approach
- Positive, honest and helpful in solving any problems
- We offer full support through the process from start to finish
- Provide a great service every time

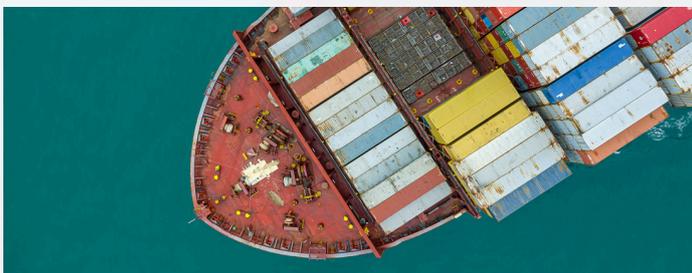

Our experience and genuine interest in each of our specialist sectors means we understand the challenges facing our clients and the value they place on recruiting motivated, first rate and skilled talent. It's our people-focused service that keeps business and why we are our first choice for our Clients.

Our focused approach and specialist knowledge enables us to quickly find you people that are just right.

"GRN Search went above and beyond to help me get the ideal candidates for a role I was struggling to recruit on. Ian was extremely professional with an approachable personality. Glad to have been able to build a strong relationship with him and look forward to working alongside him in the future!"

” Hannah - HR Manager
