

# MAIN PRODUCTS

## Main Products

### SHREDDERS

Primary shredder-Leo

Scope MSW, Industrial, Bulky waste

Primary shredder-Aries

Scope:

MSW, Industrial,  
Kitchen, Bulky waste

Primary shredder-Taurus

Scope:

MSW, Industrial, Bulky  
waste

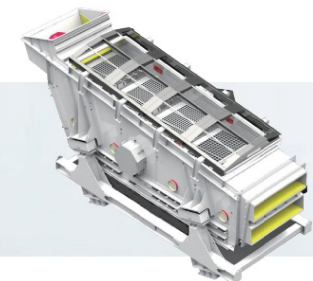

Impact Crusher

Scope:

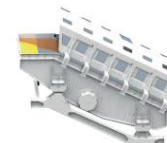

Medium Soft Rock Crushing  
, C&D waste

### SCREENS & SEPARATORS

Composit separator

Scope: C&D waste, Landfill waste, MSW

Step separator

Scope

MSW, C&D waste, Land  
fill waste

Trommel separator

Scope

MSW, Industrial waste

Disc separator

Scope

MSW

## Air high-pressure density separator

C&D waste, landfill waste, MSW waste

## Eddy current separator

### Scope

Recycling of recycled metals, disposal of industrial waste

## Negative pressure air separator

### Scope

MSW, Recycle waste

## Light material air separator

### Scope

Disposal of various types of waste

## MOBILE EQUIPMENT

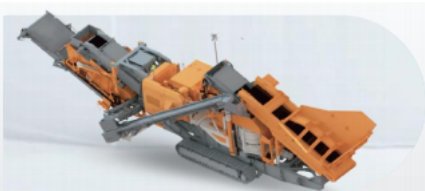

## Mobile Jaw Crusher

High capacity and compact design  
Covering all types of crushing requirements  
Wide range of applications

## Mobile Impact Crusher

Widely used in the production of fine materials, sand, concrete, construction waste disposal can crushing and screening, producing high-value finished aggregates.

## Mobile Cone Crusher

Widely used in cement factories, mines, sand and gravel industry.  
Suitable for medium and fine crushing of various mining rocks,  
Large crushing ratio, high efficiency, low energy consumption, and uniform product quality.

## Mobile screener

Strong accumulation of mining machinery  
Advanced European design concepts.  
Redefine the economic screening

## Intelligent Equipment

## Light Wind Series

Lightwind Intelligence Sorting Robot

## Strongwind Series

Strongwind Intelligence Sorting Robot

## Warm Wind Series

Warm Wind Series Intelligent Construction waste bin

## Breeze Wind Series

Waste Battery Intelligent Sorting System

## E-sort Series

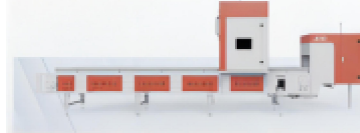

Model-K

## E-sort Series

Model-R

## Storm Wind Series

AI Visable Light Sorter

## Blast Wind Series

Model BS Multi-Channel AI Sorting Machine
