

Chemical Specialties for the Industry

Global Presence

COMPANY FIGURES

- ❑ **Turnover 2013: 32 million €**
- ❑ **Production: 11.000 ton/year**
- ❑ **Employees: 75**
- ❑ **Manufacturing sites: 26.000 m²**
- ❑ **Stock facilities: 9.000 m²**
- ❑ **Export: over 65%**
- ❑ **Investment in new technologies and research: 4% of the turnover per year**

COMPANY FIGURES: Italian sites

Headquarters

- ❑ **Located in Pogliano Milanese (Milan)**
- ❑ Manufacturing site: 26.000 m²
- ❑ Stock Facilities: 6.500 m²

- ❑ **Located in Garlasco (Pavia)**
- ❑ Manufacturing site: 10.000 m²
- ❑ Stock Facilities: 2.500 m²

COMPANY FIGURES:.....

- ❑ **Marbocote Ltd (Joint Venture)**

- ❑ Located in Manchester UK area

- ❑ Plant: 1.600 m²

- ❑ **Marbo America**

- ❑ Located in Orlando FL area

- ❑ Plant : 1.200 m²

- ❑ We adhere to the strict regulations and rules of the national and international legislations.
- ❑ Safety and Environment are continuously monitored.
- ❑ Since 1992 Marbo is Certified UNI EN ISO 9001:2008 and UNI EN ISO 14001:2004.

- ❑ **1966:** Marbo Italia Spa was founded. The main activity was to produce Release Agents and Lubricants for Polyurethane and Alluminum Die casting.

- ❑ **Mission :** To Develop technologically advanced products.

- ❑ **1986:** Acquisition of the Lacquers Division from Mapol.
- ❑ **1987:** Developed the release agent for the Rubber Industry.
- ❑ **1988:** In collaboration with the UMIST in Manchester UK, Marbo developed Semi-Permanent release agents for Advanced Composite becoming the first and only European manufacturer.

- ❑ **2014:** We worked with University of Chemistry in Pavia for the development for environmentally friendly products.

Marbo Main PRODUCT LINES

- **RELEASE AGENTS**
- **LUBRICANTS**
- **LACQUERS**
- **COLOURING PASTE**
- **CHEMICAL AUXILIARIES**

Marbo Main BUSINESS Areas

Polyurethane

- Automotive
- Footwear
- Technical Articles
- Furniture

Composite

- Aerospace
- High Tech Composite
- GRP
- Pultrusion

Aluminium Die Casting

- Automotive
- Lights Decoration
- Heating radiators

Rubber

- Tyres
- Automotive
- Technical Articles
- Footwear

Plastic

- Packaging for Cosmetics and Spirits
- Toys
- Roto moulding
- Footwear

Termo set Resins

- Automotive
- Technical Articles

A FULL PACKAGE OF PRODUCTS FOR THE AUTOMOTIVE INDUSTRY

- ☐ Release agents for Steering wheels, Seats, Insulation parts, Headliners, Brake pads, Air filters
- ☐ Release agents for Tyres, Transmission belts, Hoses, Anti-vibration parts, Profiles
- ☐ Release agents for Aluminum parts (Engine parts, gear box)
- ☐ In Mould Coating for Steering wheels
- ☐ Lacquers for Lamps
- ☐ Pigmented Paste for Interior parts

A FULL PACKAGE OF PRODUCTS FOR THE FOOTWEAR INDUSTRY

- ☐ Release agents for Unit Soles, Safety / Casual and Sport shoes, Sleepers
- ☐ Lacquers for PUR, PVC, EVA and TR Unit Soles
- ☐ Colour Paste for Unit Soles, Safety / Casual and Sport shoes, Sleepers
- ☐ Antistatic Agent for Safety Shoes
- ☐ UV Stabilizer for PUR

A FULL PACKAGE OF PRODUCTS FOR THE AEREOSPACE, HIGH TECH AND GRP INDUSTRY

- ☐ Semi-Permanent Release agents
- ☐ Sacrificial Release agents: Liquid wax, Paste and PVA
- ☐ Sealer for Tooling Board
- ☐ Internal Release agent for Pultrusion
- ☐ Cleaners

A FULL PACKAGE OF PRODUCTS FOR THE PACKAGING INDUSTRY

- ☐ Mono component adhesion Primer for plastics PP, PS, ABS, PU
- ☐ Mono and two-components Primer and base coat for PP, PS, ABS, PU
- ☐ Two-components for metal/plastics Wet on Wet cycles
- ☐ UV curing coats
- ☐ Water pigmented paste
- ☐ Concentrated liquid dye stuff
- ☐ Oils for High vacuum diffusion pumps
- ☐ Special solvent and thinners

A FULL PACKAGE OF PRODUCTS FOR THE TECHNICAL ARTICLES INDUSTRY

- ☐ Release agents for Rubber O-Rings, Seals, Gaskets, Hydraulic and industrial hoses
- ☐ Release agents and colour paste for Polyurethane Elastomers
- ☐ Release agents for Rotational moulding
- ☐ Lacquers for appliances
- ☐ Release agents for Furniture, Pillows and Mattresses
- ☐ In Mould Coatings for Pu

WORLD-WIDE NETWORK

- ☐ More than 65 countries are supplied
- ☐ 1 Subsidiary: USA
- ☐ 1 Joint Venture: UK
- ☐ Distributors
- ☐ Sales Agents
