

## PENTAWARDS 2026: PAY NOW, EDIT LATER

You can pay for your entries during a lower rate to secure that price and you will then be able to edit your entries up until the competition closes.

Please note, you will be able to edit your descriptions, credits and images but not the category. Once the competition closes, no more edits can be made.

### HOW TO PAY NOW, EDIT LATER

1. Log in to your account or [Create an Account](#)
2. Go to the **BASKET**
3. Select the category you would like to enter from the dropdown and click **+ ADD ITEM**. To pay for multiple entries at once scroll back to the drop down at the top and add another item
4. **In the text fields place an 'X', and for the re-design question select as appropriate (you can also change this later)**

*Example*

## HOW TO EDIT ENTRIES

To find and edit entries that you need to finalise before the competition deadline, follow these steps:

- 1. Log in to your account**
- 2. On the left-hand side, under **COMPETITION** go to **Nominations****
- 3. You will then see your entries and **click the blue Edit button** to make changes to your entry**

If you have any unpaid entries you will also be able to see these here. Please ensure these are paid for and submitted before the deadline if you would like these counted in the competition.

- 4. Make sure you **SAVE** your entry**

Good luck!
