

Nutrition Research Project

Disclaimer: This category is only for nutrition research project applicants.

Confidentiality statement: All information provided in these forms will be treated as confidential.

Entry Details

Name or Title of the Research Project: *

100-words limit

Main Company/ Institution Responsible: *

100-words limit

Contact Details

Contact Person First Name*

Contact Person Last Name*

Contact Person Phone Number *(including country code)* *

Contact Person Email*

What companies or institutions involved in the research? *

100-words limit

Main company/institution responsible:

Does the project or study have direct activity in Europe? *

Yes or No

What other regions is there activity in? *

Russia, Middle East, Africa, Asia-Pacific, North America, South America, No other regions

How long has the research project been in progress? *

Years or Months

Has the project finished or is it ongoing? *

Finished or Ongoing

Have you previously entered this research project for a NutraIngredients Award? *

Yes or No

What major consumer demand, policy issue, or public health concern does the research project address? *

250-words limit

Provide a short summary of the overall project or initiative, stating the main aims and key outcomes. *

Please use non-technical language in this section and keep answers brief, you may provide further details and references to studies in the next questions.

250-words limit

How does your research project bring about an impact or change that makes a difference. *

Please use non-technical language in this section and keep answers brief, you may provide further details and references to studies in the next questions.

250-words limit

Provide an outline of the methodology of the research project. *

Please use non-technical language in this section and keep answers brief, you may provide further details and references to studies in the next sections.

100-words limit

How many peers reviewed, primary research papers and/or clinical trial papers have been published as a direct result of this research project? *

100-words limit

Please provide any further technical details relating to the aims, methodology, results, and key outcomes of your research project. *

400-words limit

Please provide details of up to 3 of the core studies supporting this research project:

Study 1

- Type of study (eg animal/human data/ meta-analysis, etc).
100-words limit
- Publication source (name of Journal and doi)
100-words limit
- Study size & composition (n = ? and men/women/mice/rats/worms, etc) and Duration of study
100-words limit
- Primary endpoint(s), please specify:
100-words limit
- Second endpoint(s), please specify:
100-words limit
- Briefly summarise the results
250-words limit
- Peer-review primary research upload 1 (PDF):
Upload a PDF or Provide a URL

Study 2

- Type of study (eg animal/human data/ meta-analysis, etc).
100-words limit

- Publication source (name of Journal and doi)
100-words limit
- Study size & composition (n = ? and men/women/mice/rats/worms, etc) and Duration of study
100-words limit
- Primary endpoint(s), please specify:
100-words limit
- Second endpoint(s), please specify:
100-words limit
- Briefly summarise the results
250-words limit
- Peer-review primary research upload 2 (PDF):
Upload a PDF or Provide a URL

Study 3

- Type of study (eg animal/human data/ meta-analysis, etc).
100-words limit
- Publication source (name of Journal and doi)
100-words limit
- Study size & composition (n = ? and men/women/mice/rats/worms, etc) and Duration of study
100-words limit
- Primary endpoint(s), please specify:
100-words limit
- Second endpoint(s), please specify:
100-words limit
- Briefly summarise the results
250-words limit
- Peer-review primary research upload 3 (PDF):
Upload a PDF or Provide a URL

Please outline any commercial interest or potential industry applications related to your research project? *

Include details of any current industry partners or examples of arrangement.

300-words limit

Why should you win this award? *

In no more than 200 words, provide a succinct overview of what makes your project the most suitable for this award. Summarise the key points of why you should win!

200-words limit
