**Recreate the Laphroaig Banarama at home.**

An Islay twist on the popular 90's cocktail the June Bug. This cocktail helps to showcase the diverse ways in which we can use Laphroaig in cocktails. The inclusion of Midori, creme de banane and pineapple add a fun fruit edge to this peated whisky cocktail.

Method

- Pour all ingredients into a shaker
- Fill shaker with ice and shake for 30 seconds
- Strain into a chilled Coupette
- Garnish with the banana sweet
- Enjoy!
