

OPUS HOMES PRINCIPALS

Andrea DeGasperis-Ronco & Michael Ronco

Welcome to your new home! We've created a fun and interactive way for you to explore many of the new features within your home.

Let us show you around using this innovative, touchless system. Scanning the QR codes that are located on stickers throughout your home will reveal videos consisting of important information and maintenance tips on various features.

Here's what you do:

1. Open the camera on your phone
2. Scan the QR code
3. Touch the link that pops up which will direct you to the list of videos
4. Select the video you want to know more about and watch!

This is a great way you will be able to get the most out of your new home. We hope you enjoy learning about your new home and of course **WELCOME HOME!**

Welcome Home!
