INNOVATION AND INCLUSIVITY

Every inch of Congress 2019 has been crafted with you in mind. From the varied programme, to the largest small animal focussed exhibition in Europe, the whole event is designed by a team of volunteer vets and nurses.

Alongside international speakers and experts, the programme is underpinned by the current needs of our profession providing topical, clinically relevant and evidence-based content within a first-class learning environment.

Congress continually evolves, and amongst countless highlights 2019 includes an Advanced Practitioner stream, a new interview format in Immunology, and state of the art lectures led by 2019 Bourgelat winner Mike Herrtage. We have new themes running across many streams to ensure the content is delivered in an accessible format. Due to popular demand the ophthalmology stream makes a return in 2019, and we have increased the capacity of the incredibly well-received cardiology sessions.

Our new stream of non-clinical CPD, Beyond the Clinics, received a fantastic reception in 2018 and we continue to provide this holistic support with lectures including how to drive day-to-day efficiencies, looking after physical health and how to build a career by design. Plus we are delighted to offer a crèche facility supporting working parents to access high quality CPD.

The Congress exhibition is the only place to see the latest products, innovations and services all focused on the needs of the small animal vet and veterinary nurse. It’s also completely free to attend – so if you are a vet, veterinary nurse or work in practice and don’t have time for lectures, make sure you take advantage of booking a free exhibition pass online.

Join us this April to create inspiring moments and forge life-long friendships.

BSAVA would like to say a huge thank you to our Congress 2019 Sponsors

The exhibition is also a fantastic location to access relevant CPD from leading companies, and in an exciting development for April, a new lecture theatre will be built within the exhibition floor, meaning access to latest industry insight has never been so easy (see page 3).

Not only is the education inspiring, but we have a full social programme to help you unwind. Movie Night continues, and our V19 Beach Party is the place to be on Saturday Night.

With countless opportunities to network, catch-up and let loose, Congress is the social event of the veterinary calendar. V19 Beach Party on Saturday night is packed full of bands, buskers, comedy and food from around the world. Plus, join us in the exhibition for complementary drinks every evening, catch Mamma Mia! and Mamma Mia: Here We Go Again at Movie Night, enjoy a coastal cookout on Sunday and so much more!
Thursday 4 April
12:45–13:10
Do we really need to worry about ticks?
Ian Wright
13:20–13:45
Tick-borne diseases in cats
Stephanie Sorrell
13:50–14:15
Fleas: clear and hidden dangers
Sarah Warren and Ian Wright
14:35–15:00
The ‘Wright parasite’ interactive game show
Ian Wright
15:05–15:30
How Zoetis grows your parasitic business: the win-win of good medicine and good business
Hugh McConville and Sophie Duguid
15:45–16:10
The approach to the pruritic dog in a 10-minute consultation
Sarah Warren
16:15–16:40
21st century dermatology: which should I prescribe, a JAK or a MAB?
Stan Baker

Friday 5 April
10:15–10:40
Top tips to identify when cats need analgesia
Jo Murrell
10:45–11:10
Understanding a cat’s quality of life
Jacky Reid
11:20–11:45
Current understanding of diagnosing and managing feline osteoarthritis
Evelyn Maniaki
12:30–12:55
Benefits of wellness screens in cats
Joanna Parker
13:00–13:25
Challenges of compliance in cats
Louise Longstaff
13:40–14:05
What is CIRD? Should we worry?
Jenny Stavisky
14:10–14:35
Challenges of preventing canine infectious respiratory disease
Jenny Stavisky
14:45–15:10
Diagnosing pancreatitis: the benefits of cPL testing
Joanna Parker
15:25–15:50
Apoquel/Cytopoint: innovative products to support management of stressful dermat cases
Stan Baker
15:55–16:20
Top tips on managing stress and enhancing wellbeing
David Bartram

Saturday 6 April
10:00–10:25
Top tips for the first presentation of a pruritic dog
Kate Griffiths
10:30–10:55
When is Apoquel indicated?
Louise Longstaff
11:00–11:25
An update on canine demodicosis and top tips on diagnosing and treating
Kate Griffiths
11:50–12:15
Optimising compliance in chronic atopic dermatitis cases
Kate Griffiths
12:25–12:50
Match that scratch: case-based examples of complex pruritic patients
Victoria Robinson
12:55–13:20
What to do next; top tips on managing chronic dems cases
Victoria Robinson
13:30–13:55
Which patients are most suited to Cytopoint
Sophie Duguid

LUNCHTIME LECTURES AT THE BSAVA STAND
Visit the upper deck on the BSAVA Stand in the Arena to listen to our lunchtime lectures. The provisional programme is as follows:

Thursday 4 April – 13:15
PROTECT and responsible antimicrobial usage in practice
Fergus Allerton
Friday 5 April – 13:15
Pain management in practice
Ian Self
Saturday 6 April – 13:15
Shelter medicine
Maggie Roberts

Further details to be announced shortly.

EXHIBITION EDUCATION ZONE
Friday 5 April – CT Stream
09:00–09:45
I want a CT scanner: considerations prior to purchase
Matthew Winter (UK)
10:00–10:35
I have a CT scanner: what now?
Matthew Winter (UK)
11:05–11:50
How to look at a CT scan: a beginner’s guide
Matthew Winter (UK)
12:00–12:45
Breathe in: thoracic CT
Chris Warren-Smith (UK)
14:05–14:50
Around the abdomen: indications for abdominal CT
Matthew Winter (UK)
15:00–15:45
A headache or a pain in the neck? Head and neck CT
Matthew Winter (UK)
16:50–17:35
Give the dog a bone: orthopaedic CT
Matthew Winter (UK)
17:45–18:30
Could I, should I, would I? When can I use spinal CT?
Matthew Winter

Saturday 6 April
13:00–13:45
Helping the veterinary profession to resolve and minimise complaints and maintain client relationships
Jennie Jones
14:00–15:30
Gut stasis: it takes two
Molly Varga and Jo Hinde

FREE CPD
Don’t forget: the entire exhibition, and Exhibition CPD, is free for vets, nurses, and practice staff to attend. Book your complimentary exhibition-only pass at www.bsavacongress.com
**THURSDAY 4 APRIL**

**Hall 1**

- **MY TOP TIPS IN… OBESITY**
  - 08:30–09:15 Neurology Rick LeCouteur (USA)
  - 08:30–09:15 The principles of weight management: using scientific evidence to maximise success Alex German (UK)
- **SURGICAL COMPLICATIONS**
  - 08:30–09:15 My wound broke down: what now? Mickey Tivers (UK)
  - 08:30–09:15 Paraneoplastic syndromes Erik Teske (NL)
- **ONCOLOGY**
  - 08:30–09:15 Professional outcomes review: looking to the future Stephen May (UK)
  - 08:30–09:15 Updates on rabbit medicine & surgery Chris Mans (USA)
- **EXOTICS**
  - 08:30–09:15 Dermatophytosis casebook: common impersonators and atypical presentations Susan Paterson (UK)
- **DERMATOPHYTOSIS**
  - 08:30–09:15 My wound broke down: what now? Mickey Tivers (UK)
  - 08:30–09:15 Paraneoplastic syndromes Erik Teske (NL)
  - 08:30–09:15 Professional outcomes review: looking to the future Stephen May (UK)
  - 08:30–09:15 Updates on rabbit medicine & surgery Chris Mans (USA)
  - 08:30–09:15 Dermatophytosis casebook: common impersonators and atypical presentations Susan Paterson (UK)

**Hall 2**

- 09:25–10:10 Oncology Gerry Polton (UK)
- 09:25–10:10 The practicalities of weight management: making it work in your practice Georgia Woods (UK)

**Hall 3**

- **MORNING TEA & COFFEE BREAK**
  - 11:05–11:50 Reproduction Gary England (UK)
  - 11:05–11:50 Tackling the obese patient with concurrent disease: what are your priorities? Alex German (UK)
  - 11:05–11:50 Having difficult conversations Christine Magrath (UK)
  - 11:05–11:50 Pathology reports: what a clinician needs to know Erik Teske (NL)
  - 11:05–11:50 RCVS Mind Matters Initiative: the basics part I TBC
  - 11:05–11:50 Managing chelonian shell disorders Chris Mans (USA)
  - 11:05–11:50 Managing multiples: dermatophytosis disease outbreaks Susan Paterson (UK)

**Hall 4**

- **LUNCH IN ARENA BIRMINGHAM**
  - 12:00–12:45 Soft tissue surgery Mickey Tivers (UK)
  - 12:00–12:45 Can obesity be prevented? Alex German (UK)
  - 12:00–12:45 Something is bleeding: what now? Rachel Hattersley (UK)
  - 12:00–12:45 Is advanced imaging always better? Gerry Polton (UK)
  - 12:00–12:45 RCVS Mind Matters Initiative: the basics part II TBC
  - 12:00–12:45 Avian clinical techniques Chris Mans (USA)

**Hall 5**

- **REPRODUCTION**
  - 14:05–14:50 Cardiology Ruth Willis (UK)
  - 14:05–14:50 Hormonal testing Gary England (UK)
  - 14:05–14:50 I didn’t get surgical margins: what now? Mickey Tivers (UK)
  - 14:05–14:50 Planning oncolgical surgery Jon Bray (UK)
  - 14:05–14:50 VN Futures: a VN’s guide to wellbeing Laura Black (UK)
  - 14:05–14:50 Clinical applications of rabbit endoscopy Paolo Selleri (IT)
  - 14:05–14:50 Tough choices: treatment options for MRSP pyoderma Anette Loeffler (UK)
  - 15:00–15:45 Managing the pregnant bitch Angelika von Heimendahl (UK)
  - 15:00–15:45 I left a urolith behind: what now? Rachel Hattersley (UK)
  - 15:00–15:45 Chemotherapy: the basics Erik Teske (NL)
  - 15:00–15:45 VN Futures: a VN’s guide to the Practice Standards Scheme Liz Cox (UK)
  - 15:00–15:45 Clinical applications of reptile endoscopy Paolo Selleri (IT)
  - 15:00–15:45 Top hygiene tips for dealing with multi-drug resistant skin pathogens in practice Anette Loeffler (UK)

**Hall 6**

- **Afternoon Tea & Coffee Break**

**Hall 7**

- **MATTHEW SYED**
  - Join one of the world’s most influential thinkers in the field of high performance and cultural change, Matthew Syed, as he discusses how to build a mindset of continuous improvement in the context of a complex and fast-changing world.

**Hall 8**

- **17:00–19:00 Drinks in the Exhibition**

**President’s Welcome, BSAVA Awards and Keynote Lecture with MATTHEW SYED**

- Hall 1
  - 15:50–16:35 Managing parturition: when do I reach for the scissors? Angelika von Heimendahl (UK)
  - 16:40–17:25 First 48 hours Sylvia Chastant (FR)
  - 15:50–16:35 Oncology treatments: new and on the horizon Gerry Polton (UK)
  - 15:50–16:35 VN Futures: a VN’s guide to Schedule 3 and Delegation Julie Dugmore (UK)
  - 15:50–16:35 Top tips for ferret surgery Paolo Selleri (IT)
  - 16:40–17:25 VN Futures: a VN’s guide to Advanced Practitioner Status Susan Howarth (UK)
  - 16:40–17:25 Reptile diagnostic imaging Paolo Selleri (IT)
**NEW TO BUSINESS LEADERSHIP**

**MANAGEMENT**

08:30–09:15 Leadership: the art of managing uncertainty in veterinary practice
Brian Faulkner (UK)

09:25–10:10 Acquiring the ‘right’ to lead: the difference between knowledge and self-belief
Brian Faulkner (UK)

**PRACTICAL**

08:15–09:00 Common eye conditions: medical and surgical
Charlotte Dawson (UK)

09:10–09:55 Surgical preparation and instrumentation for ophthalmic patients
Charlotte Dawson (UK)

09:10–09:55 Advanced practitioner RVN and consulting: an update
Jo Hinde (UK)

09:10–09:55 Infection control: a challenge for the whole team
Louise O’Dwyer (UK)

**OPEN TO ALL**

11:05–11:50 Leadership and culture: two sides of the same coin
Brian Faulkner (UK)

12:00–12:45 Leading your sub-team managers
Brian Faulkner (UK)

14:05–14:50 Setting up from scratch
Brian Faulkner (UK)

15:00–15:45 So you’re now a Clinical Director. Help!
Brian Faulkner (UK)

**INTERACTIVE**

10:50–11:35 How to implement running a clinic
Helen Tottey (UK)

11:45–12:30 Where have all the nurses gone and why are they leaving?
Andrea Jeffery (UK)

14:15–14:50 Executive 1, ICC
Small Group Session – VET
Dental radiography
Peter Haseler (UK)

14:00–15:00 Award ceremony
Michael Stanford (UK)

14:00–17:00 Birmingham Medical School
Rabbit dentistry
John Robinson (UK)

15:00–17:00 Birmingham Medical School
Dental radiography
Peter Haseler (UK)

**OPEN TO ALL**

**POSTGRADUATE CERTIFICATE**

08:30–09:00 Executive 1, ICC
Small Group Session – VET
Breadth of surgical pathology
Gary England (UK)

09:00–11:00 Birmingham Medical School
Dental radiography
Peter Haseler (UK)

09:00–12:00 Birmingham Medical School
Basic eye surgery
Ben Blacklock (UK)
Elena Fenollosa-Romero (UK)

12:00–14:00 Birmingham Medical School
Dental radiography
Peter Haseler (UK)

12:00–14:00 Birmingham Medical School
Rabbit dentistry
John Robinson (UK)

14:00–15:00 Award ceremony
Michael Stanford (UK)

14:00–17:00 Birmingham Medical School
Basic eye surgery
Ben Blacklock (UK)
Elena Fenollosa-Romero (UK)

15:00–17:00 Birmingham Medical School
Dental radiography
Peter Haseler (UK)

15:00–17:00 Birmingham Medical School
Rabbit dentistry
John Robinson (UK)

**VENUES AS LISTED**

**Hyatt Ballroom**

**Hall 9**

**Hall 10**

**Hall 11**

**Kingston Theatre**

**OTHER CPD**

10:00–12:00 Dentistry
John Robinson (UK)

11:05–11:50 Hepatology/ Gastroenterology
11:45–12:30 Endocrinology

12:00–14:00 Canine general practice
Diagnostic imaging
13:35–14:20

**CLINICAL ABSTRACTS**

08:00–09:00 Executive 1, ICC
Small Group Session – VET
Breadth of surgical pathology
Gary England (UK)

09:00–11:00 Birmingham Medical School
Dental radiography
Peter Haseler (UK)

09:00–12:00 Birmingham Medical School
Basic eye surgery

  - Sophie Keyte (UK)
  - **Cardiac therapeutics: atrioventricular valve disease**
  - Sonya Gordon (USA)
- **09:55–10:40**
  - **Hypercalcaemia**
  - Sophie Keyte (UK)
  - **Cardiac therapeutics: feline cardiology**
  - Kieran Borgeat (UK)

#### Hall 4
- **09:00–09:45**
  - **FL lameness in cats: sources and solutions**
  - Karen Perry (USA)
- **09:45–10:30**
  - **Top 5 reasons vets get sued and how to avoid them as a recent graduate**
  - Dave Nicol (AUS)
- **09:45–10:30**
  - **Understanding immunological testing**
  - James Swan (UK)
- **09:45–10:30**
  - **Pre-op safety and preparation: what really helps and do pre-op bloods improve outcome?**
  - Matt Read (UK)

#### Hall 5
- **09:00–09:45**
  - **Cardiac therapeutics: atrioventricular valve disease**
  - Sonya Gordon (USA)
- **09:45–10:30**
  - **Understanding immunological testing**
  - James Swan (UK)

#### Hall 6
- **09:00–09:45**
  - **FL lameness in cats: sources and solutions**
  - Karen Perry (USA)
- **09:45–10:30**
  - **Top 5 reasons vets get sued and how to avoid them as a recent graduate**
  - Dave Nicol (AUS)

#### Hall 7
- **09:00–09:45**
  - **Cardiac therapeutics: atrioventricular valve disease**
  - Sonya Gordon (USA)
- **09:45–10:30**
  - **Understanding immunological testing**
  - James Swan (UK)

#### Hall 8
- **09:00–09:45**
  - **Cardiac therapeutics: atrioventricular valve disease**
  - Sonya Gordon (USA)
- **09:45–10:30**
  - **Understanding immunological testing**
  - James Swan (UK)

#### Morning Tea & Coffee Break
- **10:05–10:55**
  - **HL lameness in cats: sources and solutions**
  - Karen Perry (USA)
  - **Immune-mediated skin disease**
  - Laura Buckley (UK)
  - **Putting you first: how to manage body and mind to avoid burnout, depression and other negatives**
  - Dave Nicol (AUS)
  - **How equipment harms patients**
  - Matt McMillan (UK)

#### Hall 3, ICC
- **13:05–13:50**
  - **Coronoid disease in dogs: where are we now?**
  - Laura Cuddy (IE)
- **13:50–14:00**
  - **Elbow incongruence: what to do?**
  - Laura Cuddy (IE)
- **14:00–14:45**
  - **Humeral intercondylar fissures in dogs**
  - Laura Cuddy (IE)
- **14:45–15:00**
  - **How to collect CSF samples**
  - Paul Higgs (UK)
- **15:00–15:15**
  - **How to perform joint taps**
  - Paul Higgs (UK)
- **15:15–15:30**
  - **M and M rounds**
  - Catherine Oxtoby (UK)
- **15:30–15:45**
  - **Prescription foods**
  - Isuru Gajanayake (UK)
- **15:45–16:00**
  - **Challenging cases: approach to the cardiac patient with concurrent respiratory disease**
  - Kieran Borgeat (UK)
- **16:00–16:15**
  - **Pruritic skin disease**

Shakira Free-Miles (UK)

CONGRESS CLOSES

JOIN BSAVA TODAY
BSAVA members enjoy substantial savings on Congress registration along with a host of other benefits. Join today for exceptional value CPD courses, great savings on BSAVA publications, access to exclusive member only online resources and much more. Visit www.bsava.com.

JOIN US AT EUROPE’S LARGEST SMALL ANIMAL CONGRESS
For the most up-to-date Congress information please phone 01452 726720, email congress@bsava.com or visit www.bsavacongress.com.
BSAVA Congress is sculpted by 28 volunteer vets and veterinary nurses who give their spare time to create the jam-packed engaging, relevant and practical programme to meet your current needs.

DID YOU KNOW?
BSAVA is not for profit – our surplus is invested back into the profession through BSAVA’s activities; promoting excellence in small animal practice through education and science.

MEMBERS SAVE MORE
BSAVA Members enjoy significant savings on Congress registration alongside a range of other benefits including discounts for local CPD courses, publications, and an exhaustive library of online resources.

CONGRESS CRÈCHE
NEW FOR 2019. Supporting working parents to access high quality CPD whilst loved ones are looked after by award-winning childcare company, Nipperbout.

GET HANDS ON
Practice essential techniques with leading experts with our affordable and varied selection of wet labs, practical and small groups. See the full programme at www.bsavacongress.com

FREE EXHIBITION PASSES
If you don’t have time to attend the lectures, we offer free exhibition passes to vets, veterinary nurses and practice staff.

BOOK BY 31 JANUARY AND SAVE UP TO 20%
Join thousands of colleagues attending world class lectures, wet and dry labs and non-clinical CPD, all tailored to the needs of today’s small animal vet, veterinary nurse and practice managers. Book online today at www.bsavacongress.com. See you at Congress!

| All lecture passes include complimentary access to the Congress Exhibition in Arena Birmingham. |
|---|---|---|
